

Afterschool Update:

Kindergarten Afterschool Clubs now open for enrollment at the Elementary School, Mondays through Thursdays, beginning **Monday, February 13th.**

***Darlene Potter**, local, retired Elementary Education Teacher, will lead our Kindergarten Afterschool this spring. A beloved, long-time resident of Spooner, Mrs. Potter is known for her compassionate and dedicated leadership. How lucky we are to extend day school learnings with her at the helm.*

Afterschool Brochures will go out “Backpack Express” this week and be available in the Elementary School Office for family pick-up.

Return Afterschool Registration Forms to school by February 7 to secure your spot. Many families have been asking when Kindergarten Afterschool begins; limited spots are expected to fill rapidly!!

What can your child expect? Projects, special presenters, indoor and outdoor fun, activities, games...and so much more! See our brochure for more information.

Contact Karen Collins, Community Education Coordinator, 715-635-0243 or collinsk@spooner.k12.wi.us, with any questions.
