VOLUNTEER ETTIQUETTE

PRIVACY

- ❖ **Be confidential.** A child's work and behavior is to be held in confidence. Discuss problems with staff or the Volunteer Coordinator, not with other volunteers, parents, or in the community. Please understand that each time you go into school, only fragments of a whole year of learning and growing are observed. Communication between you and the teacher is the key to providing a good learning atmosphere for everyone.
- ❖ **Protect privacy.** Do not ask for a child's address or phone number. Do not share your address or phone number with the children. When asked about a particular student or circumstance, please respond, *"That information is confidential. Sorry I can't discuss it with you."* or *"Please check with the child's teacher."*

SAFETY

- ❖ **Always think "safety first"** when dealing with children. Always keep children in your line of vision. It is important to continually scan all children for safety when in a large group setting. When in a small group setting, it is best that you keep doors open and have another adult present.
- ❖ **Notify a staff member** in the case of a serious problem such as a discipline problem, discrimination, an accident involving blood or if a child confides about an abusive situation. Staff will do the necessary follow up.
- ❖ **Follow "safe touch" suggestions.** Volunteers do not *initiate* touching a child (hand holding, hugs, lap-sitting), but may respond to child's initiation of an appropriate touch. Please know that hugs are not appropriate in school. Respecting a child's right to say "no", volunteers may ask a child if he/she would like a hand shake or a "high five."

- ❖ **Leave student transportation to school staff and to parents.** Volunteers should not transport students in private vehicles. If parents or the parent-designated driver is late to pick up a child, try to make telephone contact with the parents. If parents are unavailable, attempt to contact others listed on the child's information sheet. In the event that no one from the child's family is available, contact your volunteer or site supervisor. The supervisor will make arrangements for the child's transportation.
- ❖ **Gifts for individual students are inappropriate.** Don't bring gifts or food treats for *individual* students. With staff approval, volunteers may bring snacks for the entire classroom (for the staff to distribute when appropriate) or they may make a donation for the classroom.

VOLUNTEER IDENTIFICATION

- ❖ **Sign in and out at the office** upon arrival and departure. Greet office staff and the teacher or supervisor with whom you are working.
- ❖ **Wear your name badge** for identification. You will need to have your photo taken prior to your first day so that your badge will be ready for your first volunteer assignment.

RESPECT

- ❖ **Be respectful of children's diversity** of culture, religion, and background. Don't assume the child celebrates the same holidays (Christmas, Easter, Halloween, or even birthdays). Also don't assume the make-up of a child's "family" (size, race, gender, or blend) or the family's economic status. Practice correct pronunciation of the children's names if they are unfamiliar. Show interest in the children's cultures and learn more about them.
- ❖ **Show respect by using formal names.** As a matter of school policy, students will refer to you with a Mr., Ms., Mrs., or Miss in front of your last name. In the presence of students, staff will also refer to you this way. Please refer to all of the adults this way as well in order to be consistent for the children's sake.
- ❖ **Be courteous of instructional time** that staff members have set aside to update you on project-specific needs. We are very pleased that you are donating your time to our children and enjoy having you as a part of our program. However, please save the conversational part of the visit for a more appropriate time as teachers need to adhere to a fairly rigid schedule. Your understanding of this matter will be greatly appreciated.

COMMUNICATION

- ❖ **Complete** the required paperwork and attend orientation and training sessions as needed.
- ❖ **Communicate.** Ask questions, share ideas, get to know the staff and other volunteers. Don't hesitate to call, leave a note, or ask for a meeting with the Volunteer Coordinator to discuss any problems or concerns that may arise. Every problem can be solved with respect and honest communication.
- ❖ **Be prompt and dependable.** If possible, please call at least one day in advance to let staff know you will not be there at your scheduled time.
- ❖ **Ensure positive closure.** If you plan on ending your volunteer involvement before the end of the year, please notify the staff and the Volunteer Coordinator. It is especially important that the children be left with a clear message that you have enjoyed working with them.

ATTITUDE

- ❖ **Bring a smile,** lots of praise, positive feedback and your willingness to work. Friendliness can be contagious and is an important part of your contribution to our school.
- ❖ **Be honest** in your approach and attitude.
- ❖ **Be patient** when working with students. They may be having difficulties of which you are not aware. Your patience will work wonders.
- ❖ **Be flexible** in responding to the needs of children and staff.
- ❖ **Be a positive role model** for children in attitude, behavior, language, and dress. Let your conversations demonstrate respect for others, and avoid using language that may be perceived as discriminatory, sexist, or offensive.

*Everyone can be great because anyone can serve.
You only need a heart full of grace
and a soul generated by love.
~Dr. Martin Luther King, Jr.*

Questions You Might Ask At Your Site:

- Is there a safe place for my coat/belongings?
 - Hooks will be made available in the front hallway corner at the elementary school. You may leave your belongings in the Prep Room in the middle school.
 - Loss and/or damage to personal belongings is not the responsibility of the school.
- Where is the adult bathroom?

Please use the staff bathrooms in or near the Prep Room at each site.
- What should I do if a child is disruptive or uncooperative?

Talk to your cooperating teacher or the Volunteer Supervisor for your site about the disciplinary role you are to play before you begin. If you are involved in the after school program, your role may be more involved than other positions. Be sure that you are comfortable with whatever is decided. All volunteers are expected to follow the district's discipline policy.
- Is there a telephone I can use?

The phones have been installed in the classrooms for school business; i.e. calling the office, other staff members, or parents. They are not for personal use. In the case of an emergency please use the phone in the Prep Room or a classroom phone may be used in an after school program.
