Open Lunch Hour (or Open Campus) is a privilege that is open to all senior students. The purpose is to allow these students the flexibility and freedom to be off school property during their lunch period.

Open Lunch Hour is a school sponsored activity option to which the general school rules of behavior apply. While in public, students are to behave in a responsible manner as they are representatives of Spooner High School.

Students shall be allowed to participate in Open Lunch Hour as long as the following criteria are met:

- Students must return to school on time.
- Students must follow all school rules.
- Students must maintain an acceptable attendance pattern. (excessive morning tardies or unexcused absences may result in loss of privilege)
- Students are to obey all traffic and safety protocols when driving off campus.
- Students may only transport themselves. No exceptions will be made.
- Students must refrain from "loitering" or going to houses other than their own.
- Students must remain academically in good standing.
- Parents must sign this form.

Any exceptions to the above stipulations must have prior approval from the principal.

I have read and understand the Open Lunch Hour Policy for 2018-2019. I agree to abide by these policies and understand that if I do not, I may lose the privilege to leave campus during lunch. I agree to follow all school rules and obey traffic and safety protocols while driving off campus. I understand that I may only participate in Open Lunch Hour if all of the above criteria are met. I understand that any vehicle parked on school property is subject to search by school officials for reasonable cause.
