## Spoooner Area School District

801 County Highway A  
Spoooner, WI 54801

**Dr. David Aslyn**

*District Superintendent*

**Josh Fizel**

*Community Education Administrator*

**Pat Barnett**

*Community Education Director*

*ALL ABOARD! is a publication of the Spooner Area School District Community Education Program. Questions or concerns should be addressed to Pat Barnett at [barnettpat@spooner.k12.wi.us](mailto:barnettpat@spooner.k12.wi.us) or at (715) 635-2171 ext 4343*

## Community Education is Back!

After a long Covid Hiatus, Community Education is back! Look for our upcoming classes to hit your email, Facebook, and the Website within the next three weeks. Our 2024 Spring Schedule will be coming out shortly.

If you or someone you know has an idea for a course offering, please let me know by contacting me at (715) 635-2171 ext 4343 or emailing me at [barnettpat@spooner.k12.wi.us](mailto:barnettpat@spooner.k12.wi.us)

In other news, we had a very successful presence at Lakeland Family Resource Center's BooHaHa on Friday, October 27th. Despite the wind and cold, many people came out and had their picture taken with us at our Candy Corn Guessing Contest Booth. Thank you for your support of all of our communities' resources that make a difference in the lives of Spooner Area Residents.

Our next community event will be at the Family Skate Night on Saturday, January 27th at 5 PM. Come on out for the fun, food and adventure on the ice at the Spooner Civic Center. More details to follow.

Finally, Basketball is Back in January and February as part of the Spooner Elementary School High 5 program. This program will run on Mondays from 3:00-5:00 PM for 1st Graders and Wednesdays from 3:00-5:00 PM for 2nd Graders. All registrations will be done electronically through the district's registration system (Revtrak). See the attached flier for the registration link.

It's a great time to be a Rail! Thank you for your support of the Spooner Area Schools and our Community Education program.

# Middle School Clubs Foster Growth

It's dark when they arrive and dark when they leave but our students in the Middle School Clubs are a bundle of energy and light. Regardless of the clubs they are in, our goal is for them to have a safe and welcoming place to learn, grow and experience new opportunities. A few skills we work on are:

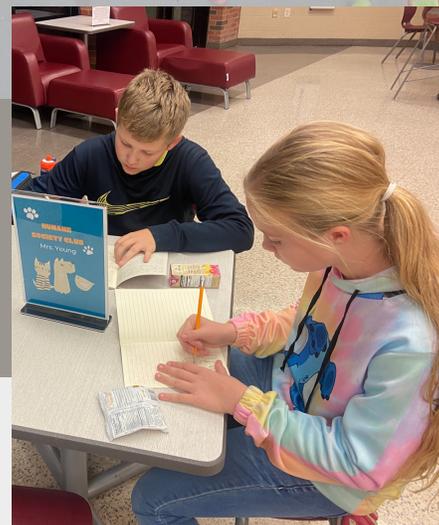

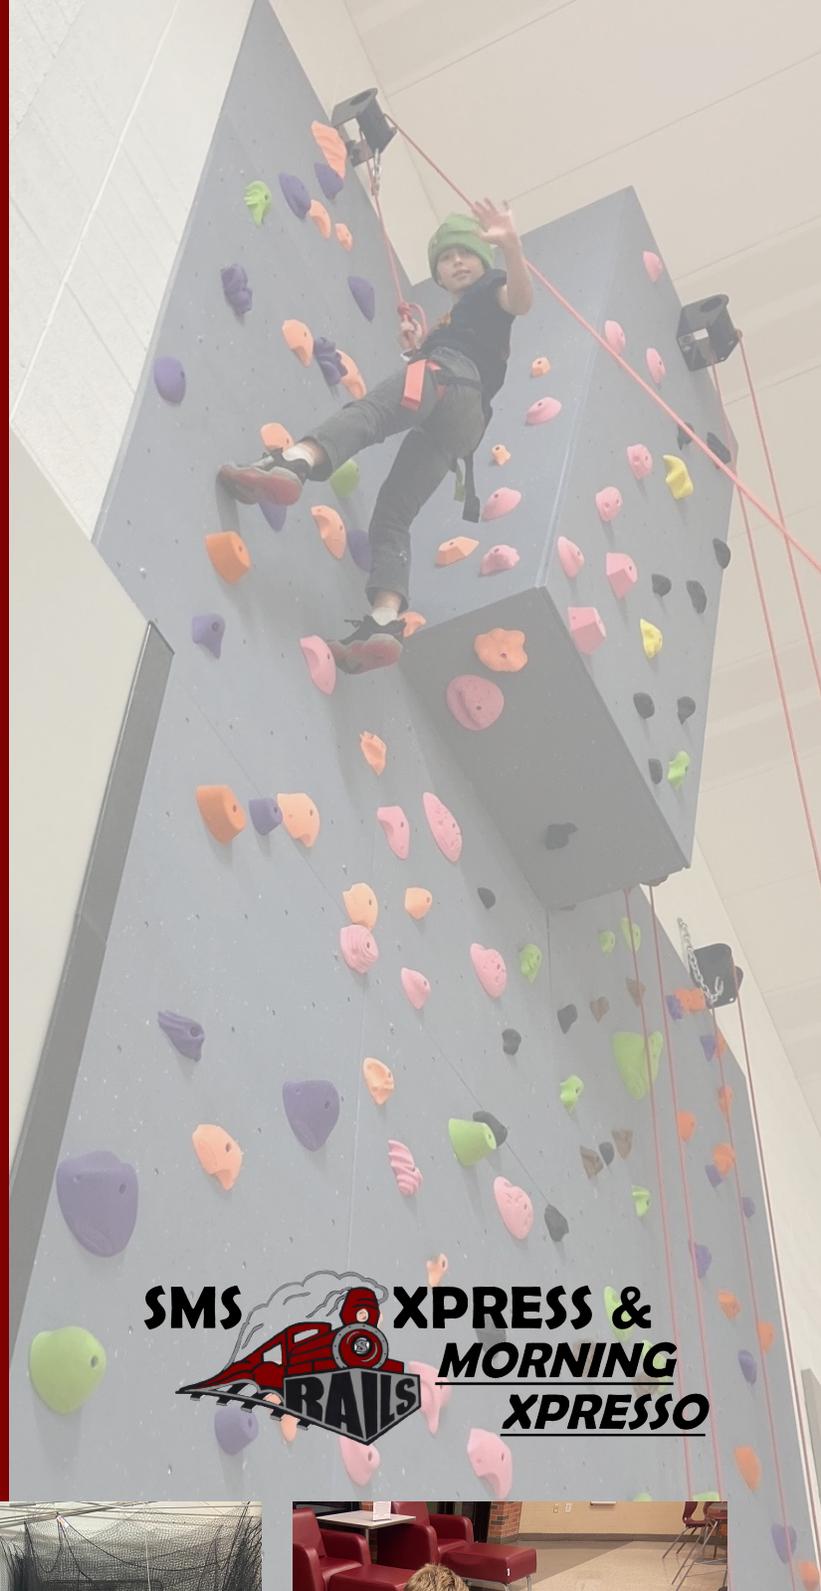

**Kindness** - Learning to treat others with respect.

**Forgiveness** - We all make mistakes. How do we learn from those and move forward?

**Communication** - How do we use our voice in a positive way to ask for help, express our frustrations or to say thank you.

**Listening** - Following directions to ensure everyone is safe and can learn.

This quarter, students have the opportunity to participate in a few new clubs. Cross Country Skiing, K'Nex & Legos, Fat Tire Bike and E Sports are now available (but filling quickly). If interested in joining a club, you can register your student at: <https://spooner.revtrak.net/> The full schedule is posted online - if a club is full, students will be added to the waitlist until there is an opening.

## Save the Date!

STEAM Night AND Knights of Columbus Free Throw Championship! Thursday, February 15th from 5:00-7:00 at the Middle School. Ages 9-14. A parent or guardian signature is required for a student to participate in the Free Throw Championship.

## Flapping Bats

1st & 2nd Graders make spooky bat crafts that can flap their wings, thanks to some plastic straws hidden in the back.

## Art Sculptures

Students of all ages create works of art by using interlocking bead manipulatives during their daily free choice time.

## UW Extension

2nd Graders pictured above with instructor Beth Rank from UW Extension make a variety of items each week. They learn about the color wheel by mixing primary colors of frosting on graham crackers and create customized animal containers after learning about animal adaptations.
