## Quarter 3 Class Descriptions

### Morning Club- Kindergarten-4th Grade

#### **Monday-Thursday:**

- **Mind and Motion-** Wake Up Your Brain and Body! Start your day with fun and energy! In this before-school club, kids will stretch their minds and bodies through games, yoga, reading, writing, math challenges, and more. Each morning brings something new—move, learn, and laugh with friends before the bell rings!

### After School Clubs- Kindergarten

#### **Monday-Tuesday:**

- **Little Dribblers-** Learn the basics and have a blast! We'll practice dribbling, passing, and shooting while having fun and building confidence on the court. Perfect for beginners who want to start their basketball journey!
- **Kinder Crew-** Get ready for an after-school adventure full of fun, friendship, and learning! In our cozy classroom clubhouse, kindergarteners will dive into exciting reading and math games that build big brains and happy hearts. We'll work together on team challenges that grow kindness, cooperation, and confidence- plus there's always time for play! From building towers to building friendships, every day is a new chance to explore, laugh, and learn. Where learning feels like play and every kid is a superstar!

#### **Wednesday:**

- **Kinder Crew**

#### **Thursday:**

- **ThursYAY!**- The most exciting day of the week just got even better! Every Thursday, students dive into a mix of high-energy fun, hands-on projects, and unforgettable experiences. Some weeks you'll rotate through a variety of awesome activities like games, creative challenges, and teamwork tasks. Other weeks, get ready for special events like movie nights, visits from community guests, or collaborative group projects. No two Thursdays are the same — but they're all guaranteed to be a blast. Come see why we call it ThursYAY!

### After School Clubs- 1st and 2nd

#### **Monday:**

- **Games, Puzzles & Fun- Oh My!**- Get ready for the ultimate fun zone! Build colorful puzzles piece by piece, play silly and exciting board games, and challenge your friends to awesome card games. Every week is a new adventure filled with laughter, teamwork, and non-stop fun- you won't want to miss a single minute!
- **Kindness Club-** Big hearts, little heroes! Join us to spread smiles, make friends, and do fun activities that show how awesome it is to be kind. Every week is a chance to laugh, help others, and make our school a happier place!

#### **Tuesday:**

- **Enchanted Explorers-** Step into a magical world where fairy tales come to life! In this after-school club, you will journey through enchanted forests, visit royal kingdoms, and meet friendly mythical creatures- all through hands-on crafts, games, stories, and adventures. If you love magic, make-believe, and creative fun, then you'll love being an Enchanted Explorer. Join the adventure- your story begins here!
- **Balance & Motion-** Flip, roll, jump, and balance- the fun starts here! In the Balance & Motion Club, you will explore the exciting world of tumbling and movement in a safe, structured setting. Led by a former tumbling coach, students will learn beginner tumbling skills while building coordination, balance, and body control. This is the perfect club for kids who want to move with purpose, try new skills, and grow stronger and more confident each week. Come ready to learn, stretch, and shine!
- **The Great Escape-** The Great Escape Club is a hands-on puzzle adventure! Students will work in teams to solve clues, crack codes, and unlock real breakout boxes using locks, keys, and careful thinking. Each session is a new "mission" that builds teamwork, problem-solving, and confidence- all while having a blast. Can you crack the clues and make the great escape before the time runs out?

### Wednesday:

- **Little Dribblers-** Learn the basics and have a blast! We'll practice dribbling, passing, and shooting while having fun and building confidence on the court. Perfect for beginners who want to start their basketball journey!
- **Little Pioneers-** Step back in time and experience life on the frontier! We'll read *Little House in the Big Woods* and bring the story to life with hands-on projects like making butter, crafting cornhusk dolls, building a covered wagon, and more. We'll also watch clips from the series to see the adventures in action. Join us for a journey full of creativity, history, and pioneer fun!
- **Top Secret-** Get ready to become a real-life secret agent! Each week, agents complete classified missions that challenge them to solve puzzles, crack codes, uncover hidden messages, and complete exciting team challenges. From decoding secret symbols to hunting for hidden clues- every mission builds problem-solving, teamwork, and critical thinking skills. Every mission is classified... Are you ready to accept your mission?

### Thursday:

- **Little Dribblers-** Learn the basics and have a blast! We'll practice dribbling, passing, and shooting while having fun and building confidence on the court. Perfect for beginners who want to start their basketball journey!
- **ThursYAY!-** The most exciting day of the week just got even better! Every Thursday, students dive into a mix of high-energy fun, hands-on projects, and unforgettable experiences. Some weeks you'll rotate through a variety of awesome activities like games, creative challenges, and teamwork tasks. Other weeks, get ready for special events like movie nights, visits from community guests, or collaborative group projects. No two Thursdays are the same — but they're all guaranteed to be a blast. Come see why we call it ThursYAY!

### After School Clubs- 3rd and 4th

#### Monday:

- **The Imagination Station-** Welcome to a world of color, creativity, and imagination! Whether we're painting masterpieces, building wild sculptures, or crafting with glitter and glue, this club is all about having fun and making art your way. Each week, students will explore different hands-on projects that spark their imagination and let their creativity shine. No experience needed- just bring your ideas and get ready to create!
- **Snow Stompers-** Get ready to crunch, stomp, and explore! In Snow Stompers, students will learn to snowshoe, go on winter adventures to track animals, play snowy games, and discover just how fun the outdoors can be-even in winter.
- **Little Rails Spirit Squad-** Get ready to cheer, chant, and shine! Join the Little Rails Spirit Squad- a high-energy, fun-filled after-school cheer club just for 3rd and 4th graders! We'll learn basic cheer moves, teamwork, and how to spread school spirit like pros. Members will have the exciting chance to perform at a SES Rails Rally in front of their classmates- and maybe even light up the court at a high school basketball game! No experience needed- just bring your energy and your biggest smile!

#### Tuesday:

- **Cartoon Crew-** In this high-energy club, 3rd and 4th graders will step into the shoes of real cartoonists as they create heroes, villains, and hilarious sidekicks, dream up exciting comic adventures, and learn how to bring their ideas to life on the page. If you love drawing, storytelling, or anything animated, you'll have a blast in The Cartoon Crew, where imagination jumps right off the page!
- **Winter Wilderness-** Come explore the outdoors with UW–Madison Division of Extension educators! This winter program invites kids to learn and play outside as we search for animal tracks, discover how wildlife survives the cold, and enjoy fun outdoor games with friends. Using our outdoor classroom as home base, participants will stay active, ask curious questions, and work together while exploring nature in all kinds of winter weather.
- **Rock Star Academy-** Rock Star Academy is a fun, hands-on music program where elementary students become the band! They'll learn to sing and play guitar, bass, and drums while building confidence, teamwork, and creativity. From practicing parts to performing together, students develop rhythm, listening skills, and musical expression- while experiencing the excitement of making music and shining on stage.

### **Wednesday:**

- **Future Leaders-** Want to make a positive difference in their school and community? In this club, students will explore what it means to be a leader through teamwork, service projects, school involvement, and hands-on activities. Members will build confidence, responsibility, and communication skills while learning how even small actions can create big change.
- **Master the Move-** Do you like being one step ahead? In this after-school group, you'll practice thinking ahead, planning smart moves, and out-thinking your opponent. It's all about focus, strategy, and using your brain to win-no luck required.
- **Game On!-** This is the ultimate after-school club for students who love to play, laugh, and have fun with friends. Each week brings new and exciting games- from classic board and card games to high-energy group games- so there's always something different to try. Students will team up, compete, and cheer each other on in a fun, welcoming space where the goal is to have fun, make friends, and enjoy friendly competition.

### **Thursday:**

- **4-H Mindful Me!-** Take a break from the busyness of the day to learn about mindfulness. We'll explore yoga, mindful eating, and creative ways to handle big feelings while building skills for a healthy, happy life. Together we will dive into beautifully illustrated storybooks to help guide our mindfulness journey. You do not need to be a member of 4-H to join this club.
- **ThursYAY!-** The most exciting day of the week just got even better! Every Thursday, students dive into a mix of high-energy fun, hands-on projects, and unforgettable experiences. Some weeks you'll rotate through a variety of awesome activities like games, creative challenges, and teamwork tasks. Other weeks, get ready for special events like movie nights, visits from community guests, or collaborative group projects. No two Thursdays are the same — but they're all guaranteed to be a blast. Come see why we call it ThursYAY!

**Please note:** Class sizes are limited and vary by activity. While we do our best to place students in their top choice(s), some may be enrolled in their second or third choice or placed on a waitlist if a class fills up. We appreciate your understanding and flexibility.
