Please Note: Class sizes are limited and vary by activity. While we do our best to place students in their top choices, some may be enrolled in their second-choice class or placed on a waitlist if a class fills up. We appreciate your understanding and flexibility!

Club Descriptions

All Grades

ThursYAY Active Minds & Bodies! Each Thursday, students will participate in a fun, high-energy block designed to keep both their bodies moving and brains engaged! During this time, students will rotate through a series of interactive stations, each offering a different type of challenge or activity.

Kindergarten After School Club Choices

Kinder Crew – Learning, Playing, Growing Together! Welcome to Kinder Crew, a fun and friendly class designed especially for our curious kindergarteners! In this vibrant learning space, children will explore early reading and math skills through hands-on games, creative projects, and guided play. With teamwork, imagination, and plenty of smiles, the Kinder Crew is where young minds grow and friendships blossom.

1st and 2nd Grade After School Club Choices

The Crafty Crew Get creative with all things fall! Students will enjoy making fun, seasonal crafts while exploring their creativity, trying new projects, and celebrating the colors and fun of autumn.

Wild Explorers Get ready to explore! Students will head outdoors for hikes and adventures while discovering the sights, sounds, plants, and wildlife of the forest. A fun opportunity to get moving, explore nature, and enjoy the great outdoors!

The Great Outdoors Grab your curiosity and come explore! Students will hunt for hidden treasures, discover nature, solve outdoor challenges, and enjoy hands-on adventures. No two weeks will be quite the same as we explore, discover, and have fun outside!

Deal Me In! Get ready to play! Students will learn and enjoy a variety of fun, age-appropriate card games while practicing skills like taking turns, following directions, strategy, and good sportsmanship.

Outdoor Adventures Get ready to move, play, and explore! In this fun and active club, students will enjoy outdoor games, movement activities, and plenty of opportunities to run, jump, play, and work together. Each week will bring new adventures and active fun!

The Game Zone Let the games begin! Students will enjoy a variety of board games, card games, group games, and creative games. From indoor favorites to games they create themselves, there will be plenty of opportunities to play, laugh, learn, and have fun together!

3rd and 4th Grade After School Club Choices

Recess Remix Classic Fun with a Twist! Get ready to turn up the fun! Recess Remix is not your average break time—it's a high-energy class where students dive into a variety of large group games that mix teamwork, laughter, and movement into one unforgettable experience.

Chill Zone A place to relax, recharge, and do things you enjoy! Students can unwind with books, drawing, writing, creative activities, games, and time to simply chill with friends. A fun, low-key way to end the day!

Game On! Let the Fun and Friendly Competition Begin! Roll the dice, spin the wheel, and challenge your friends to a world of classic and brand-new board games in Game On! This action-packed class is all about sparking strategic thinking, teamwork, and endless laughter—one game at a time.

Spirit Squad Get ready to cheer, chant, and shine! Learn basic cheer moves, teamwork, and how to spread school spirit. No experience needed—just bring your energy, positive attitude and biggest smile! Members may even have the chance to perform at a Rails Rally or high school sporting events!

Brick by Brick Build your imagination, one block at a time! Get ready to build, create, and dream big in Brick by Brick, where LEGO bricks and building blocks become the tools for endless imagination! This hands-on class invites young builders to bring their ideas to life, solve exciting challenges, and collaborate with friends in a fun and inspiring environment.

Crafty Kids Get creative and let your imagination shine! Students will explore a variety of fun, hands-on crafts, from making cards and creative projects to trying new art techniques and discovering new ways to create. Each week brings a new opportunity to make, design, and have fun!
