Club Descriptions

4H Discovery Club: Horses, photography, legos and more! Participate in fun, educational activities with Washburn County 4-H youth and adults to discover the top five most popular 4-H projects in Washburn County.

Archery: Ever want to hit a bullseye? In this club, students will learn the basics of archery, practice their skills and compete in friendly challenges.

Art Club - Makers Space: Calling all artists who want to gather and create art after a long day of school. This is an open opportunity to create whatever you are inspired to do. A variety of mediums will be available to use.

Bead Creation Club: Design your own jewelry, keychains, and fun crafts using various kinds of colorful beads and Perler beads. Get creative, learn new techniques, and bring your unique designs to life.

Chess Club: Learn rules and strategies to compete in a fun game of Chess.

Code & Create Club: Join this fun, beginner and intermediate Coding club to learn block coding or begin transitioning to Python and JavaScript with Microsoft's MakeCode, Scratch, and more.

Cooking Club: Learn the in's and out's of what it takes to be a cook. Students will practice following recipes and learn what is necessary to cook/bake tasty, healthy foods and goodies.

Dungeons & Dragons Club: Create characters, explore fantasy worlds, and go on epic adventures with friends! No experience needed - just bring your imagination, creativity and problem-solving skills to this club.

Good Neighbors Club: Help others in need through a variety of activities inside and outdoors, make new friends and have fun while giving back to our community!

Hunter Safety: In this Wisconsin Education Course, students will receive their lifetime hunter education card. Learn hunter responsibilities and safety. Upon successfully completing all portions of the course, the student is awarded a hunter education safety certificate.

Humane Society Club: Learn to properly care for animals and clean up after them. Enjoy time petting and reading to kittens and learn about the important work the Washburn County Humane Society does.

Instrument & Voice Practice Club: Build your skills, rehearse your music, and get helpful tips in a supportive space - perfect for singers and musicians of all levels!

Power, Speed & Quickness Club: This club is designed to help student-athletes become stronger, faster, and more explosive through age-appropriate strength training, speed work, agility drills, and movement skills. Athletes will build confidence, improve athletic performance, and develop skills that transfer to all sports.

School of Rock: This is your chance to try a new instrument and explore all types of music. Whether you sing, play an instrument, or want to try something new, join us. Jam with friends, learn performance skills, and get ready to play some tunes. Rock, Country, Jazz music and more!

Skills USA: Students will get a chance to build their personal, workplace, and technical skills for careers in trade, technical, and skilled service occupations through projects of their choice and projects that improve SMS.

The Total Athlete Sports Club: A fun way to stay active and try a different sport or game each week. No pressure, just movement, teamwork and fun!
