A. AUDIT SCOPE

The auditor shall conduct an examination, in accordance with Wisconsin Administrative Code PI 14.03, of the financial statements of all funds of the District for the period from **July 1, 2019, to June 30, 2021, inclusive.**

The auditor's examination shall be made in accordance with the following:

1. The audit shall be performed in accordance with generally accepted auditing standards, the standards set forth for financial audits in the *Government Auditing Standards*, issued by the Comptroller General of the United States; *Office of Management and Budget (OMB) Circular A-133, Audits of States, Local Governments and Non Profit Organizations*; and the *State Single Audit Guidelines* issued by the Wisconsin Department of Administration.
2. The auditor will assist with and reconcile financial data presented in the Management's Discussion and Analysis with final audit figures.
3. Financial statements presented in the auditor's report shall comply with generally accepted accounting principles and conform to the accounting system prescribed by the Department of Public Instruction.
4. An onsite audit of elementary, middle school and high school activity fund's statement of receipts, disbursements and fund balances (cash basis) is required. If any weaknesses are noted, appropriate recommendations should be reviewed with the Director of Operations.
5. A membership audit of the third Friday of September and the second Friday in January Membership Reports, if required by the Department of Public Instruction.
6. The auditor shall express an opinion on the financial statements of all funds covered in the scope of this engagement. If the auditor is unable to express an unqualified opinion, the auditor shall state fully the reasons for qualifications or disclaimer of opinion. The District recognizes it has the responsibility to correct any deficiency that results in a qualification or disclaimer of opinion.
7. Implicit in the auditor's expression of an unqualified opinion on financial statements is the auditor's representation of independence with respect to those statements.
8. Provide unlimited consultation during the year as requested.

B. TIMING, LOCATION, AND CONDUCT OF AUDIT WORK

1. The auditors will report to the President of the Board of Education and will receive information from the Superintendent and Director of Operations, who will coordinate the assistance to be provided by the Spooner Area School District to the auditor.
2. The District expects to receive prior to June 1st of each year, a list of schedules to be prepared and other items required for the audit. Pre-closing, interim, tests and procedures shall be conducted at a mutually agreeable time.
3. On-site student activity audits should be completed during a pre-audit meeting, before school term employees leave for the summer.
4. The audit shall be conducted on District premises, and the District shall provide space deemed adequate by the auditor to conduct the examination efficiently.
5. The auditor shall observe the adequacy of the systems of internal control for all funds of the District, including those concerned with maintaining compliance with finance-related legal provisions. If material weaknesses are noted, appropriate recommendations will be reviewed with the appropriate administrator and then included in a separate letter to the District's School Board.
6. Audit work papers and reports shall be retained for a minimum of five years from the date of the audit report, unless the auditor is noted in writing by the Department of Public Instruction or the United States Department of Education to extend the retention period. The District authorizes the auditor to respond directly to inquiries from the Department of Public Instruction or the United States Department of Education, including requests to review audit work papers. The auditor shall notify the School Board of any such inquiries or requests and of the auditor's reply thereto.
7. Prior to completion of the onsite audit, the auditor will meet with the Director of Operations to review adjusting journal entries, certify data for submission of the PI-1505AC, and review any adjustments or concerns that might affect the district completion of the PI-1505SE. Report completion and an exit conference are required in a manner that provides ample time for the Director of Operations to complete required state or federal reports contingent upon the results of the audit.
8. The financial audit reports must be submitted to the District no later than November 1st of each year. The financial Audit Statement must be submitted to the Department of Instruction by November 1st.
