---

November 12, 2021

Dear Students and Families,

On Monday, November 15th chromebooks, learning materials and personal devices (cell phones) will be available for pick up at the Spooner Wesleyan Church from 8 a.m.- 6 p.m. Pick up will take place in the Fellowship building (back building behind the church).

Students will be expected to complete independent learning activities starting Monday when they have computers in hand. School will proceed virtually on Tuesday, November 16th with teachers live streaming classes. Students are expected to follow their daily schedule and join each Google Meet at the beginning of their scheduled class period. Attendance will be taken at the beginning of each class.

The most critical piece of this matter continues to be the health and safety of our students and staff members. In person instruction will not resume at Spooner Middle School until we are assured the environment is safe for everyone in the building.

I can't thank the students enough for the phenomenal job they did remaining calm and doing exactly what we had practiced in all of our safety drills on Wednesday, November 10th. I also want to thank you for your support. Our partnership ensures a safe and supportive learning environment for all of our students. If you have any questions regarding remote learning, please contact me or your student's teachers.

Sincerely,

***Missy Giesregen***

Middle School Principal
