The SASD Board of Education met and approved the following changes to school attendance for students in Grades 4K-12 who are currently learning in-person:

- ➡ **Thursday, November 19th will be a remote learning day.**
- ➡ Students will attend school in-person on Friday, November 20th and collect work to learn remotely.
- ➡ **All students will learn remotely from November 30th through December 4th.**

The intent is to have students return to Level Two in-person learning on Monday, December 7th. *Please note that these schedules changes do not impact students in the remote-only option.* These students will continue their studies as they have been. Please contact your child's school office with any questions.
