Under the ACA, any employer that offers health insurance is required to disclose information about coverage offered to full time employees via Form 1095-C. Recently, legislation was changed making it so *employers are no longer required to send employees a Form 1095-C unless the employee requests a copy of the form.*

If you would like a copy of your 1095-C form, you can make your request to Katelyn Riewestahl via one of the following methods:
