

SPOONER AREA SCHOOL DISTRICT REFERENDUM

APRIL 7, 2020

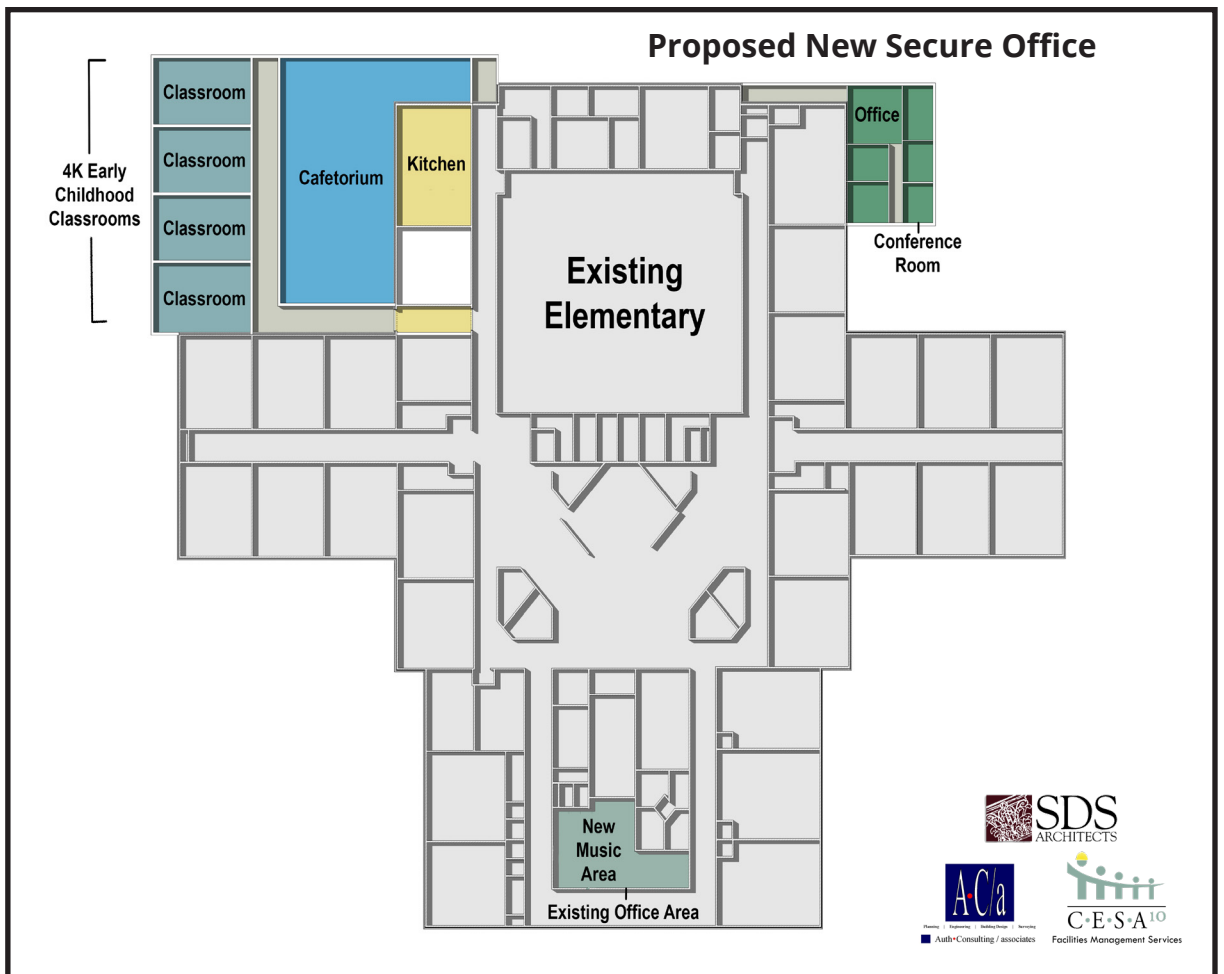

WHAT ARE THE PROPOSED RENOVATIONS?

- Perform various technology upgrades
- Replace damaged flooring as needed
- Construct secure entrances in all three schools to control building access
- Crack seal parking lots and reformat elementary parking lot to relieve congestion
- Construct a dedicated cafeteria with an academic/performance space at the elementary
- Add four additional classrooms in the elementary to house the 4K program
- Replace failing and inefficient windows
- Replace deteriorating playground equipment
- Demolish middle school small gym due to structural issues
- Address ongoing heating, ventilation, and temperature inconsistencies
- Bring locker rooms and restrooms up to Americans with Disabilities Act standards
- Update Antholz Gym flooring, bleachers, scoreboard, tile, and paint
- Replace aging elevator in middle school
- Replace high school boilers and water heaters

HOW WILL THIS REFERENDUM AFFECT PROPERTY OWNERS?

The District has been fiscally responsible as it relates to debt and borrowing. If the referendum is approved, it is estimated that there will be no tax increase over 2019-20 for school debt. The drop in debt levy in 2020-21 would be replaced with the new referendum debt payment, resulting in no increase. Additionally, the District is also planning for a debt payment drop in 2027-28 allowing for potential future facility needs.
