PRESS RELEASE :: Free Breakfast and Lunch for all Kids 18 & Under :: For the Entire School Year!

The Spooner Area School District is pleased to announce the extension of the USDA's Free Meals for Kids Program. This extension guarantees that every student at SASD will receive free breakfast and lunch through June 30, 2021. This is a tremendous benefit to every family at SASD!

The USDA's Free Meals for Kids Program, which is funded by the U.S. Department of Agriculture (USDA) and is administered by the Wisconsin Department of Public Instruction, provides nutritious meals to children during the summer (now extended through June 30, 2021), when free and reduced-price school meals are typically unavailable. Free meals will be made available to children 18 years of age and under. Persons over 18 years of age who are determined by a state or local public educational agency to be mentally or physically disabled and who also participate in a public or private non-profit school program during the regular school year may receive free meals as well.

Although, the necessities are free, please remember that extras (additional milk, ala carte items and second helpings) will continue to be deducted from lunch accounts.

Sign up for meal pick up by contacting the Food Service Director at 715.635.2171 ext 4432

Pick up for Wednesday's meals will be from 10 A.M. to 12 P.M. at the High School location on the west side of the building.

This program is available to SASD students, remote learning students, siblings of school aged children, homeschool students, or any child 18 and under residing in our district.
